

COVID-19 Warwick Update **Update 14 – January 5, 2021**

ATTENTION WARWICK TOWNSHIP BUSINESSES AND SERVICE PROVIDERS

The current Provincial shut down period affects many of our local businesses and their service offerings and format.

The Township is working on updating our [COVID 19 Warwick Update](#) page to provide an up to date central listing of all current service changes in our community, including:

- Altered business hours
- Closed businesses
- Altered service levels from businesses
- Services for delivery, and
- Volunteer assistance availability.

But we need your help.

Please contact the Township at info@warwicktownship.ca or 519-849-3926 to let us know of any services or business service changes. We can help in getting the word out to the community.
