## **Warwick Seeking Community Input on Municipal Priorities for Strategic Plan**

**WATFORD, ON** – Warwick Township Council has embarked on a process to update its Strategic Plan for the 2022-2026 term of council. The goal of developing the Strategic Plan is to identify and build on the strengths of the Township and create priorities for focused effort over for the next few years.

Council is seeking input from the community on expectations of the Township. Community input is critical to ensuring the Township of Warwick's Strategic Plan reflects needs and priorities. A community survey is now available at <https://www.surveymonkey.com/r/WarwickStrategicPlan>. Paper copies of the survey are available for pick-up at the Municipal Office, the Watford Library and the East Lambton Community Complex (ELCC). The deadline to complete the survey is July 13, 2023.

A Community Open House is planned for Thursday, July 6, 2023, from 6:00 p.m. to 8:00 p.m. at the Municipal Office located at 5280 Nauvoo Road, Watford. All are invited to attend to provide feedback on their perspective of priorities for the Township over the next three years.

Mayor Todd Case has emphasized the importance of community involvement in this process, "Council needs to hear directly from the community about what is important to them so that they can make decisions based on their preferences".

For more information on the development of Warwick's new Strategic Plan, visit [www.warwicktownship.ca](http://www.warwicktownship.ca).
