

PUBLIC NOTICE COVID-19 AND TOWNSHIP SERVICES UPDATE

The Province of Ontario has announced new COVID-19 restrictions, which come into effect on **12:01 a.m. on Wednesday, January 5, 2022** for a 21-day period.

Parks and Recreation Services

Effective January 5, 2022 to January 26, 2022, the Watford Community Arena, Centennial Hall and the Warwick Community Centre will be closed to the public for the provincially required 21-day period. Based on this change, the following are cancelled and refunds will be processed accordingly:

- All facility rentals
- All ice rentals
- All programs (pickleball & public skating)
- Indoor Gun Club

Township Office Services

The Township Office continues to be open for in-person services with the following health and safety measures:

- Limit of one person or members from one household entering the Office at one time
- Requirement of visitors to wear a mask upon entry, and
- All visitors are required to screen themselves based on the screening questionnaire posted on the door prior to entry.

The drop box outside the Township Office door continues to be available and is checked regularly for those who prefer to drop off payments or information without contact.

In order to support efficiency of public services, appointments are strongly encouraged for the following:

- Marriage license applications
- Lottery license applications
- Commissioning services
- Cemetery services
- Purchase of a water meter

Please call the Township Office at 519-849-3926 to schedule an appointment.

Public Works and Emergency Services

All public works, including snow clearing, and emergency services continue without interruption.

Warwick will communicate further information on reopening after January 26th as it becomes available.
